✓ 步驟二、使用公務帳號申請Notion帳號

輸入公務帳號Email  
Ex : xx@nutc.edu.tw

The screenshot shows the 'Sign up' page with a 'Work email' input field containing the placeholder text 'Enter your email address...'. Below the input field is a blue button labeled 'Continue with email'. A red box highlights the input field, and another red box highlights the 'Continue with email' button. A red arrow points from the input field to the text box above it. A red circle with the number '1' is next to the input field, and a red circle with the number '2' is next to the 'Continue with email' button.

✓ 步驟三、輸入註冊碼完成註冊

The screenshot shows the 'Sign up' page with a 'Work email' input field containing the placeholder text '@nutc.edu.tw'. Below the input field is a text box containing the message: 'We just sent you a temporary sign up code. Please check your inbox and paste the sign up code below.' Below this text box is a 'Sign up code' input field containing the placeholder text 'Paste sign up code'. Below the input field is a blue button labeled 'Create new account'. A red box highlights the 'Sign up code' input field, and another red box highlights the 'Create new account' button. A red arrow points from the 'Sign up code' input field to the text box above it. A red circle with the number '1' is next to the 'Sign up code' input field, and a red circle with the number '3' is next to the 'Create new account' button.
